Welcome Invitation

The British Hypertension Society is pleased to invite you to attend the 14th in its series of *Hypertension Masterclasses*. This CPD-accredited educational programme is designed to cover specialist topics in the field of hypertension, and is designed for both clinical and basic science members of the BHS, as well as non-members. It is the intention of the Society that the Masterclasses will support future hypertension specialist accreditation by providing continual professional development, and for this reason the Masterclasses are particularly relevant for SpRs.

6 hours External credit for the CPD Scheme of the Federation of Royal Colleges of Physicians of the UK have been applied for.

Please see below for information on how to register to attend the meeting. As the intention of these Masterclasses is to provide a small interactive forum for discussion, places at the meeting are **limited to 30**. You are therefore encouraged to *register as soon as possible*.

We look forward to seeing you in Brighton for the 14th BHS Masterclass.
